HR Login

Done Done 1

Description

As an HR user, I want to log in securely, so that I can access the HR dashboard and employee data.

Acceptance Criteria

* Valid email + password lands on the HR dashboard.
* Invalid credentials show a generic message ("Email or password is incorrect").
* Account locks (e.g. 15 min) after 5 failed attempts.
* Unverified or deactivated accounts cannot log in, with a clear message.
* "Remember me" and show/hide password work as designed.
* Session expires after inactivity (e.g. 15-30 min).
