HR Signup

Passed 1

Description

As an HR manager, I want to register my company and create an HR admin account, so that I can start managing employees on OBY HRIS.

Acceptance Criteria

- Form requires company name full name work email phone password confirm password; terms checkbox.
- Email must be valid and unique; duplicates are rejected with a clear message.
- Password needs ≥8 chars, upper, lower, number, special character; strength indicator shown.
- Confirm password must match.
- On success, a verification email is sent and the account is inactive until verified.
- Verified HR user is assigned the HR/Admin role.
- Inputs are sanitised; errors do not reveal system internals.
